Discussion Points: It is entirely reasonable for the parish council to request that Urban Herd Winnr Sports, Fitcap and any other SMBC commissioned youth projects provide quarterly reports. Regular reporting ensures transparency, accountability, and allows the council to monitor the project's progress To facilitate this process, the Parish council would like to outline specific areas for Urban Herd who is leading to address in their reports, such as: • Attendance figures. • Activities conducted. • Outcomes achieved. • Feedback from young people. • Any challenges encountered.

	<i>Establishing clear expectations for these reports will help both parties maintain a productive partnership focused on delivering positive outcomes for the community's youth.</i> To Approve: Youth projects provide quarterly reports. All groups and organisations: using Parish Council facilities are required to pay the agreed hall hire fee for each session booked, <i>(This includes, but is not limited to, Urban Herd, Winnr Sports, and other voluntary sector partners.)</i> <i>(It is reasonable and within a parish council's authority to request details of an organisation's funding applications before considering offering a discount on facility hire fees. This practice ensures transparency and helps the council assess the financial position of the organisation to make informed decisions regarding the allocation of community resources. By reviewing such information, the parish council can determine the appropriateness of offering a discount, ensuring that any financial support aligns with the community's best interests).</i> To Approve: Hall Hire Rates:
